

**LISTĂ DE PUBLICAȚII****TEZA DE DOCTORAT**

**Studii și cercetări privind influența parametrilor gestionați de către unitatea electronică de control asupra performanțelor motoarelor cu ardere internă care funcționează cu combustibili alternativi (Studies and research regarding the influence of parameters which are managed by the electronic control unit of an internal combustion engine that works with alternative fuels)**

Conducător științific Prof. dr. ing. DHC. Nicolae Burnete, doctor prin Ordinul Ministerului Educației Naționale 5581 MD 03.12.2013.
